

## **MEDIA ADVISORY**

**04 AUGUST 2022**

**WORLDSKILLS SOUTH AFRICA TO FINALISE THE  
FIVE SKILLS WHICH DID**

**NOT MAKE PART OF THE RECENT NATIONAL  
COMPETITION IN KWAZULU-NATAL**

WorldSkills South Africa hosted its National Competition in the month of June 2022 at the Durban International Convention Centre, KwaZulu-Natal. The four-day long national competition afforded students from universities of technology, different employers and colleges across the country an opportunity to wrestle it out in different skills categories for the number one spot that would secure them an opportunity to participate at the international competition later this year.

Out of the thirty (31) skills which were initially planned for the competition, only twenty four (24) were competed in. The two skills, Cyber Security had to be taken off the

competition list while the skill, Additive Manufacturing was only an exhibition skill at the competition, reducing the list to a total number of twenty nine (29) skills.

Open the link below to view the results of the other 24 skills which formed part of the national competition in KwaZulu-Natal:

The five (5) remaining skills which did not make part of the national competition in KwaZulu-Natal were as follows: Car painting, Heavy Vehicle Technology, Autobody Repair, Cabinet Making and Electrical Installations.

**WorldSkills South Africa has availed competition dates for the remaining skills as follows:**

<b>Name of Skill</b>	<b>Date of Competition</b>	<b>Venue</b>	<b>Time</b>	<b>Competitors</b>
----------------------	----------------------------	--------------	-------------	--------------------

1. Car Painting	5–8 August 2022	BASF South Africa, Midrand	9:00	4
2. Electrical Installations	16–18 August 2022	EEC Artisan Development and Skills Centre, Springs	9:00	10
3. Cabinet Making	An announcement will be made soon with all necessary details.			
4. Heavy Vehicle Technology				
5. Autobody Repair				

Winners from the five remaining skills listed above will join

the 24 winners who competed in KwaZulu-Natal to the International Competition Special Edition 2022 which will take place in different countries later this year.
